

HI&I Product Guide

Supplier Partners and Product Offerings

Dow is a leading provider of floor care solutions for decades, offering best-in-class floor finish polymers to the market.

DURAGREEN™, DURAPLUS™, RHOPLEX™ - Acrylic polymer, acrylic polymer emulsions

BYK's product portfolio covers a broad, wide range of additives for the household, industrial, & institutional cleaning markets.

AQUACER, AQUAMAT- Wax additives
DISPERBYK - Wetting and dispersing additives
CLAYTONE, LAPONITE, RHEOBYK - Rheology additives
BYK - Superwetter leveling aids (PFAS replacement)
BYK - Defoamers

KP-140®

Tributoxyethyl Phosphate (TBEP)

KP-140® Tributoxyethyl Phosphate (TBEP) - Plasticizer

Lubrizol is an innovative manufacturer of advanced specialty chemicals for personal care and home care products.

Sulfochem™, Chembetaine™, Amidex™, Chemoxide™, Chemphos™, Schercozoline™, Schercamox™ - Individual surfactants, surfactant blends
Carbopol®, Pemulen™, Novemer™, Novethix™ - Polymeric rheology modifiers and emulsifiers
Ceralan™, Lanocerin™, Acetulan™, Modulan™, Ohlan™, Solulan™, Vilvanolin™, Lanolin U.S.P. AAA - Lanolin products
Noverite™ Series - Polymers

IFF, formerly DuPont Industrial Biosciences, has developed a range of enzymes to deliver industry-leading performance and cost-effective sustainability.

Effectenz®, Excellenz®, Marvellenz®, Preferenz®, Revitalienz®, Smartenz® - Enzymes

Nouryon

Nouryon offers a diverse portfolio of specialty chemicals, including cellulose, organic peroxides, bleaching chemicals, expandable microspheres, and surfactants.

AG® - Alkyl Glucosides
Alcoguard/Alcosperse® - Anti-redeposition and scale control polymers
Armeen®/Duomeen®/Triameen® - Specialty amines
Armohib® - Corrosion inhibitors
Arquad® - Quaternary ammonium compounds
Berol®/Ethylan® - High performance surfactants and blends
Ethomeen® - Ethoxylated amines
Peroxy-Blend® PB33 - Specialty oxidizer
Petro® - Naphthalene Sulfonate dispersants
WITCONATE™ NAS-88 - Sodium octane sulfonate

CLARIANT

Clariant is globally known for their high quality brand of specialty chemicals for the Personal Care and Household, Industrial & Institutional markets.

Emulsogen® DTC - Anionic surfactants
Emulsogen®, Genapol® LA, Genapol® UD,
Genapol® X - Ethoxylates
Hostaphat® - Corrosion inhibitors
Genapol® EP - Low foaming surfactants
Genamin® - Amine derivatives
Genapol®, Genopur®, Hostaphat® - Hydrotropes
Glucopure® - Nonionic glucamide surfactants
Hostagel® - Thickeners
Polyglykol® - PEGs
Phenoxetol® - Biocides
Texcare® - Color care additives, soil release additives, and others

Pilot Chemical Company offers many proprietary core technologies including the production of EPA-registered biocidal quats.

Maquat® - EPA-registered biocidal quats

Industrial Chemicals IndSpyred Solutions

Proud to be a
2024 Safer Choice
Partner of the Year
award winner!

Primient Covation LLC provides naturally-derived and renewably sourced ingredients that enhance product performance.

Zemea® propanediol - Enzyme stabilizer, preservative-boosting humectant, sustainable propylene glycol replacement

Momentive Process Industries is a specialty silicone supplier. MPM also supplies materials for foam control, surface modification and spreading & wetting.

SAG™ - Foam control agents
Indusil™ - Mold release agents
Magnasoft™ - Textile enhancers

Hejia Chemicals produces Alkyl Polyglucosides (APGs) made of natural resources with a excellent biodegradability.

Hegres® - Alkyl polyglucosides

SE Tylose USA, Inc. is one of the world leaders in the production of cellulose ethers.

Tylose® H, Tylose® HS - Hydroxyethylcellulose grades

Kippisil® - Industrial and food grade silicone technologies, defoaming products (silicone and non-silicone), silicone quaternaries, aminofunctional silicones, silicone emulsions, and other specialty silicones.

Esurf - Surfactants and specialties
